Birthday wishes for friend

- YOU are a person who deserves to be celebrated. Happy birthday...and many more!
- It's your birthday! It's a big deal! I know you haven't invited all the neighborhood kids over for a party or anything, but I think we could track down a piñata if we really tried. Okay, kidding, but let's do something special!
- Remember, you get a birthday WEEK, not just one day. But today's extra special, and I hope you're showered with gifts, attention, and cake!

- Always be specific when asking for jewelry for your birthday. Otherwise, you might get a deck of playing cards if you ask for diamonds.
- **Q:** Why does cake feel embarrassed by ice cream? **A:** Because ice cream is so much cooler.
- **Q:** Why does birthday cake need a pick-me-up? **A:** Because it's always feeling crummy.
